

Test Results Information Form

Receiving the test results from the laboratory is the most important part of the drug testing process. In order for Medvet Laboratories to provide you with a prompt and customized service please complete the following information:

|                |  |
|----------------|--|
| Company Name   |  |
| Street Address |  |
| Postal Address |  |
| Phone Number   |  |

**Please identify how you would like the results to be sent to you – this can either be via fax, post or email.**

**If you choose to have your results faxed we recommend faxing to a number that you would deem to be confidential. Alternatively we can have the lab phone you prior to faxing so that you can organize to be at the fax machine when the results come through.**
